SECTION II-3. DISCRIMINATION.
At all times, the Office of the Township Trustee will determine eligibility for assistance without regard to race, source of income, creed, color, sex, handicap status, national origin, marital status, political beliefs, or any other arbitrary condition which operates to defeat the broad statutory purpose of providing assistance to needy families.

SECTION II-4. THE TOWNSHIP TRUSTEE.
The Township Trustee is an elected official and a purely statutory office, with only such power and authority as the statutes may so vest in the office. By statute, the Township Trustee is made ex-officio overseer of the poor. SECTION II-6. COURTESY.
We expect everyone who comes into the office to be treated in a courteous and dignified manner. We, likewise, expect the staff of the Township to be treated in a similar manner. The Trustee reserves the right to modify office hours in conformity to the needs of the Township. In such event, the trustee will provide a five (5) working day public notice.
CHAPTER III APPLICATION PROCESS

SECTION III-1. APPLICATIONS.
An individual desiring to make an initial application for assistance from the Township should contact the Township office. At that time, an intake appointment is scheduled and the Applicant will be provided a list of documents and information needed to complete the application and required affidavit. The Applicant will be informed of the services available and the criteria used in determining eligibility. Failure to attend the scheduled appointment or to bring in required documents may cause an unnecessary delay in the Applicant receiving assistance. Applicants, who – for legitimate reasons – are unable to visit the Township office, should call the Township office in order to make other arrangements to complete the application process. Applicants are required to complete the application in their own hand. The township trustee will assist an applicant for Township Assistance in completing the application if the applicant has a mental or physical disability, including mental retardation, cerebral palsy, blindness or paralysis; has dyslexia; or cannot read or write the English language. If an individual who is required to sign a form as per the application process is unable to sign the form in the township trustee’s office due to a physical or mental disability, or illness, the trustee shall make alternate arrangements to obtain the individual’s signature. See Ind. Code §§ 12-20-6-1.

SECTION III-2. COOPERATION.
During the application process, the Applicant will be required to complete the Application For Township Assistance – Form TA-1. The Applicant will be required to cooperate with an investigation of the Applicant’s and each member of the Applicant’s household personal finances, physical condition relating to sickness and or health, present and previous occupation, ability and capacity to perform labor, family responsibilities, and eligibility to receive other types of income in the immediate future from any source, including, past or present employment, a pending claim or cause of action that may result in a monetary award, or other governmental assistance. The investigation may include a home visit and/or contact with the Applicant’s relatives who may be able and willing to assist the Applicant. The Township requires, except in cases of emergencies, that an Applicant for Township Assistance make an application for and utilize all other forms of public assistance before being granted Township Assistance. All adult members of the household will be required to sign all necessary documents, including the Application For Township Assistance – Form TA-1 and the Disclosure and Release of Information Form. Individuals pending a determination for certain Social Security benefits, including Supplemental Security Income (“SSI”) or Social Security Disability (“SSD”) benefits will be required to sign a Social Security Reimbursement Authorization Form for interim assistance reimbursement. See Ind. Code §§ 12-20-5-9.

SECTION III-3. APPLICATION REVIEW.
In a case of emergency, the Trustee shall accept and promptly act upon a completed application from an individual requesting assistance. In a nonemergency request for Township Assistance, the Trustee shall act on the completed application not later than seventy-two (72) hours after receiving the application, excluding weekends and legal holidays. See Ind. Code § 12-20-6-7. An application for township assistance is not complete until all adult members of the requesting
household have signed: (1) the township assistance application; and (2) any other form, instrument, or document: (A) required by law; or (B) determined necessary for investigative purposes by the Trustee, as contained in the Township Assistance Guidelines. Unusual circumstances concerning the household or failure to supply the township with needed documentation my necessitate an additional 72 hour period. This is often referred to as "pended" and is permitted by Indiana law. See Ind. Code § 12-20-6-8.

SECTION III-4. REFERRALS.
If the Township authorizes Township Assistance on an "emergency" basis and refers the Applicant or member of the Applicant’s household to make application for another governmental program, the client has fifteen (15) working days from the date township assistance is authorized to make an application with the other governmental source. Failure on the part of Applicant or member of the Applicant’s household to make and complete the required application process may result in the applicant being denied future township assistance for sixty (60) days. See Ind. Code § 12-20-6-3-.5.

SECTION III-5. VERIFICATION/DOCUMENTATION.
The Township is aware of the difficulty, at times, of obtaining certain information and, in cases where needed information is readily available to the Township from other sources, the Township will not unduly burden the Applicant to obtain such documentation. This does not change the Applicant’s ultimate responsibility to furnish all necessary documentation.

SECTION III-6. INITIAL ELIGIBILITY.
All applicants for township assistance must meet the following minimum criteria in order to be determined eligible for initial township assistance:

1. An Applicant for Township Assistance must furnish the township with an acceptable means of identification, a valid Indiana ID or Driver’s License, and Social Security Number for each member of the household. See Ind. Code § 12-20-6-1.

5. The Applicant and members of the Applicant's household cannot be in violation of any other provision of these Standards and Guidelines. See Ind. Code § 12-20-5.5.

SECTION III-7. NOTICE OF ACTION.
The Applicant will be given a written notice of the township's decision, and if assistance is denied, the reasons for the denial will be stated. The denial notice will be on FORM TA-1A. This
will inform the applicant of their right to appeal the trustee's decision, and where the appeal is to be filed. The TA-1A may be presented to the applicant, sent to them by email or sent to their last known address, via the U.S. Postal Service. See Ind. Code § 12-20-6-8.

SECTION III-8. AFFIRMATION OF DENIAL.

1. The Township Trustee may not extend aid to or for the benefit of the Applicant if that aid would pay for goods or services provided to or for the benefit of the Applicant; and

(IC 12-206-6.5)

23. Individuals who have received a denial by the Social Security Administration for Supplemental Security Income or Social Security Disability Income benefits will be presumed to be capable of working for assistance decisions.

24. If a trustee believes a township assistance applicant or a member of the applicant's household may be eligible for a public assistance program, the trustee may not extend aid to the applicant or the applicant's household unless the applicant verifies that:

a. the applicant has filed, within the one hundred eighty (180) days preceding the application for township assistance, an application for assistance under a federal or state public assistance program administered by the division of family resources and county offices or by another federal or state governmental entity;
b. the applicant or a member of the applicant's household is receiving assistance under a public assistance program administered by the division of family resources and county offices or another federal or state governmental entity; or

c. the applicant or a member of the applicant's household has an emergency need that the trustee determines must be met immediately.

Ind. Code § 12-20-6-3

SECTION III-10. EMPLOYMENT.

If a township assistance applicant is in good health or if any members of the applicant's household are in good health, the Trustee, as administrator of Township Assistance, shall require the individuals who are able to work to seek employment. The township trustee shall refuse to furnish any township assistance until the township trustee is satisfied that the township assistance applicant or members of the applicant's household are endeavoring to find work. Each able bodied adult member of the household will, at a minimum, be required to maintain an updated employment file with the Indiana Department of Employment and Training Services, as well as provide other reasonable documentation that they are endeavoring to find employment. The township may also require any adult member of an applicant household to complete a "Township Employment Search" form prior to receiving continued township assistance. See Ind. Code § 12-20-10-1.

Individuals who have received a denial by the Social Security Administration for Supplemental Security Income or Social Security Disability Income benefits will be presumed to be capable of working for assistance decisions. Applicants will need to present evidence to rebut this presumption of work capability.

An individual on maternity leave, working at least 6 months at a temporary position, seasonal worker (e.g. bus driver, construction, home healthcare) may be eligible for one-time assistance.

SECTION III-11. MEDICAL EXAMINATION.

If a township assistance applicant or a member of the applicant's household claims an inability to work due to health (physical and/or mental), the applicant must provide the Trustee with a current doctor’s statement or information supporting this position or accept a referral to obtain a current medical evaluation verifying such condition. In addition, the applicant/recipient shall provide a medical release, or other releases necessary, to the Trustee upon request for the purpose of obtaining medical records. Individuals who have received a denial by the Social Security Administration for Supplemental Security Income (SSI) or Social Security Disability Income (SSD) benefits will be presumed to be capable of working for assistance decisions. Applicants will need to present evidence to rebut this presumption of work capability. The Township Trustee may also require and provide for any medical examination necessary for the township trustee to determine whether the applicant or household member is able to perform work. See Ind. Code § 12-20-10-3.5.
SECTION III-12. ACTIVE PERIOD OF APPLICATION FOR TOWNSHIP ASSISTANCE.
Form TA-1 is considered an active file for at least 180 days from the date of initial application. The Township Trustee, however, may not extend additional or continuing aid to an individual or a household unless the individual or household files an affidavit with the request for assistance affirming how, if at all, the personal condition of the individual or the household has changed from that set forth in the individual's or household's most recent application. See Ind. Code § 12-20-6-1.

SECTION III-13. DISCLOSURE AND RELEASE OF INFORMATION.
Indiana law requires all Applicants and all members of the Applicants household who have reached the age of 18 to sign a Disclosure and Release of Information authorization which permits the Township to discuss your situation with other entities, including, but not limited to, public and private social service agencies, utility companies, the Applicant's medical service provider, the Applicant's landlord or mortgage holder and relatives to investigate eligibility for Township Assistance. This instrument will only be used to investigate the applicant's circumstances in order to accurately determine eligibility and the level of assistance to be given. Each member of the applicant's household must properly execute a "Disclosure and Release of Information" form before township assistance can be provided. See Ind. Code § 12-20-7-1.

SECTION III-14. INCOME.
The income guidelines used for determining the eligibility are found in Section V, Schedule A and Income includes all monetary benefits received by any members of a household, regardless of age, during the thirty (30) day period preceding the request for Township Assistance. The monthly income of Applicants of members of Applicants households defined to be seasonably employed will be determined by dividing the sum of the prior 12 months of income by 12, if the request for assistance is made during the period of the established or customary vacation, holiday or off-season of work. Examples of such employment are school bus drivers and construction workers. See Ind. Code § 12-20-5.5; Ind. Code 12-7-2-44.7.

SECTION III-15. COUNTABLE INCOME.
Except as otherwise provided by law, countable income shall include, but not necessarily limited to the following, either paid to the individual members of the household or accrued and legally available for withdrawal by an individual member of the household: (IC 12-7-2-44.7)

1. Gross wages before mandatory deductions.
3. Aid to Families with Dependent Children- AFDC Temporary Assistance for Needy Families-TANF
4. Unemployment Compensation.
5. Worker's Compensation (except compensation that is restricted for the payment of medical expenses).
6. Vacation pay.
7. Sick Benefits.
8. Strike Benefits.
9. Private or Public Pensions
10. Taxable income from self-employment.
11. The value of bartered goods and services provided by another individual for the payment of nonessential needs on behalf of an applicant or an applicant's household if monetary compensation or the provision of basic necessities would have been reasonably available from that individual.
13. Gifts of cash, goods, or services.
14. Educational grants and loans to the extent that they are intended to cover the basic living needs.
15. The monetary value of subsidized housing or utility assistance. (provided by another governmental agency)
16. The Township reserves the right to inquire about, review, and react to lump sum payments or expectancies received or to be received by the applicant or member of the applicant's household which could have an impact on the applicant's or member of the applicant's household request for service.
17. Income from seasonal employment.
18. Any other sources of income, added at the Trustee's discretion.

SECTION III-16. RECEIPTS-EXPENDITURES.
The Applicant must provide the township with proper receipts for all expended income.

1. Receipts for expenditures not considered basic necessities will not be accepted to substantiate need for emergency assistance. See Ind. Code § 12-7-2-200.5; Ind. Code § 12-20-16-1.

2. The Township requires receipts for all expenditures of income/benefits received by each member of the Applicant’s household. Handwritten receipts provided by friends or relatives are not acceptable. Receipts from expenditures for court related expenses (e.g. attorney fees, probationary fees, drug and alcohol program fees, fines, court costs, bail, user fees for an in home detention program, restitution) will not be recognized as a legitimate expense. See Ind. Code § 12-7-2-200.5.

3. The Trustee considers the payment of cost of shelter, food, lights, water, fuel for heating and cooking, as PRIORITY basic necessities.

SECTION III-17. ONE TIME AWARDS/SETTLEMENTS.
Applicants and members of the Applicant’s household are required, when requesting Township Assistance, to disclose any lump sum amounts of money from tax refunds, lawsuits, inheritances, or pension payments of one hundred dollars ($100) or more that are expended by: (A) an Applicant seeking Township Assistance; or (B) an adult member of the Applicant's household; during the one (1) year preceding the date of the application for Township Assistance for items or services that are not basic necessities, if at the time of the expenditure that were amounts due and owing for items or services constituting basic necessities.

SECTION III-18. SPECIAL CONDITIONS.
Exceptional financial obligations, emergencies, and/or extraordinary expenses or circumstances, as may be determined, documented, and approved by the Trustee, may give justification to temporarily waive the income guidelines. The extraordinary circumstance waiver is a one-time waiver for an over income applicant/household. A police report must be filed within 24 hours of any incident involving theft or other violations of law.

SECTION III-19 EMERGENCY.
Is defined as "An unpredictable circumstance or a series of unpredictable circumstances that place the applicant's household or a member of an applicant's household in jeopardy for either health or safety reasons and which cannot be remedied in a timely manner by means other than township assistance" (IC 12-7-2-76.5)

SECTION III-20. BASIC NECESSITIES.
Basic necessities are defined, for the purpose of township assistance administration, as those services or items essential to meet the minimum standards of health, safety, and decency, such as: food, shelter, clothing including footwear, medical, transportation to seek and accept employment, household supplies, essential utility service, and other necessary services or items as the trustee may determine. (IC 12-7-2-20.5)

SECTION III-21. ASSETS.
The Applicant and members of the Applicant’s household must also report all assets belonging to the Applicant and any member of the Applicant’s household. Upon request of the Township Trustee, a person holding assets or title to assets of an Applicant or member of the Applicant's household shall provide the Township Trustee with information sufficient to demonstrate the nature and value of those assets for purposes of determining the households financial eligibility to receive township assistance. Countable Assets, which may affect eligibility, are those, which are available to the household, but not considered necessary for the health, safety or decent living standard of the household. Countable assets which may affect an Applicant's eligibility for township assistance include, but are not necessarily limited to the following:

1. Motorcycles or similar modes of transportation;
2. Boats, boat motors, or boat trailer;
3. Guns and/or Hunting Equipment;
4. Camping Trailers and/or Recreational Vehicles;
5. Video games consoles and games;
6. Portable music devices, such as iPods;
7. Luxury and/or designer clothing;
8. Tickets to sporting and entertainment events;
9. Custom car accessories, such as non-factory wheels;
10. Jewelry, i.e. gold chains, rings, etc.;
11. Televisions, Entertainment Centers, Cable or Satellite TV;
12. Computers, Fax Machines, Pagers and Cellular Telephones; and
13. Any other item of value which the trustee may determine as a non-essential asset.

See Ind. Code § 12-7-2-44.6; Ind. Code § 12-20-7-3.5.

SECTION III-22. LIQUIDATION.
All liquid assets (e.g. bank accounts, bonds, certificates of deposit) must be liquidated prior to receiving Township Assistance. Recreational equipment (e.g. boats, motors, camping trailers, motorcycles) must be liquidated in order to receive continued assistance from the Township. All members of the household will be expected to liquidate any of the assets listed in Section III-21 (1 through 10), or other items of a similar nature, as soon as possible, but in no event later than thirty (30) days from the date the initial application is filed. Non-essential assets purchased by any member of a household after applying for Township Assistance must be liquidated before further assistance will be authorized. This also includes the Applicant or members of the Applicant’s household entering into a rental agreement for non-essential household items. The Township recommends, or may even insist, the termination of any and all credit cards in the name of any member of the Applicant's household.

SECTION III-23. EXEMPTIONS.
Assets exempt from liquidation include one house or mobile home in which the equity does not jeopardize the household from qualifying for other state or federal assistance programs. However, a client may be required to liquidate and retrieve the equity in a house if their expected duration of needing township assistance exceeds a reasonable timeframe as determined by these standards (approximately sixty (60) days). Whenever Township Assistance funds are used directly or indirectly to pay the household's mortgage payments, the township is entitled to place a lien against the property in order to recover the equity value of such payments.

SECTION III-24. OTHER MEANS.
Before permanent relief may be granted, the overseer shall consider whether the Applicant’s or household’s need can be relieved by means other than an expenditure of Township money. See Ind. Code § 12-20-17-1.

CHAPTER IV SERVICES AND BENEFITS

SECTION IV-1. FOOD ORDER ALLOTMENTS.
Food allotments provided to a household are determined by the household's size and other criteria as established by these standards. The food supplement allotment each household may receive is contained in Section V, Table C. The township may administer township assistance food allotments on a weekly basis or less, depending on the circumstances of the requesting household. The township may, instead of providing direct township food assistance, refer an eligible household to a local governmentally or privately funded food pantry. See Ind. Code §§ 12-20-16-5, -7.

SECTION IV-2. FOOD ORDER LIMITATIONS.
The Township Trustee may not purchase food out of the township assistance fund for an Applicant or a household that is eligible to participate in the food stamp program. The Township Trustee may purchase food for an eligible food stamp Applicant or household only under any of the following conditions:

1. During the interim period beginning when an Applicant or a household is awaiting a determination of eligibility from the food stamp office and ending not later than five (5) days after the day the Applicant or household becomes eligible
to participate in the food stamp program.

2. Upon the verified loss of the household’s food stamps or food supply by: fire or other natural disaster; or burglary or other criminal act, if the requesting Applicant or household files a report with the appropriate law enforcement agency.

   a. Households reporting the theft of food stamps must first, and within 24 hours of the theft, file a "theft report" with the local police department before any assistance will be given. Habitually reporting the theft or loss of food stamps and/or tax supported cash awards will result in a denial.

3. Upon the loss of the Applicant’s or household’s food supply through spoilage.

4. Upon a written statement from a physician indicating that one or more members of the household needs a special diet, the cost of which is greater than can be purchased with the household's allotment of food stamps. An expenditure of township assistance funds, for compliance with this section, should not occur until later in the monthly food stamp issuance cycle.

5. Upon determination by the Trustee that a household (including a one-member household) is in need of supplementary food assistance, provided, however, that the household has participated in the food stamp program to the fullest extent allowable and that such supplementary food assistance is given solely upon the circumstances in each individual case.

SECTION IV-3. HOUSEHOLD NECESSITIES, FURNISHINGS, AND APPLIANCES.
Household necessities may also include, given the individual need and circumstance of the Applicant, basic and essential items of furniture and utensils as well as heating and cooking stoves if these provisions are available for the Trustee to provide.

SECTION IV-4. HOUSEHOLD SUPPLIES.
The Office of the Township Trustee may provide public aid in the form of purchasing household supplies which shall include, but shall not be limited to, first aid and medical supplies for minor injury and illness, soap, cleaning supplies, and toiletries in the amount indicated in Section V, Table D.

SECTION IV-5. SHELTER ASSISTANCE.
The Township shall provide aid in whatever form is necessary to provide shelter or prevent the loss of shelter so long as such aid constitutes the most economical and practical method of relieving the Applicant. Clients will not be denied shelter assistance merely because they are buying their home. However, the amount paid on behalf of a client may not exceed the shelter allowance standards contained in Section V, Table B and must still meet the test of being the most economical and practical method of relieving the applicant.
SECTION IV-6. SHELTER DEFINED.
For the purpose of administering shelter assistance, the definition of a shelter unit is a house, a mobile home, an apartment, a group of rooms, or a single room, occupied as separate living quarters, or if vacant, intended for occupancy as separate living quarters. "Separate Living Quarters" are those in which the occupants do not live and eat with any other person(s) in the building and which have direct access from the outside of the building or through a common hall. If a housing unit is vacant, the criteria of separateness and direct access apply to the intended occupants. Exception to the definition of "Shelter" may include; temporary group homes and/or shelters. (IC 12-7-2-177)

SECTION IV-7. RESIDENCY/SHELTER VERIFICATION.
It is necessary for the Township to make a determination regarding the Applicant's living arrangements and residency. In order to verify an Applicant's residency, the Township shall consider items including, but are not limited to, the following:

1. Valid Indiana ID.
2. Voter's Registration.
4. Addresses given to former employers.
5. U. S. Postal Services "change of address" notices.
6. Where the Applicant came from and how they supported themselves there, i.e. job, food stamps, AFDC, township assistance, subsidized housing, etc.
7. What means of transportation brought the Applicant household to the Township and how it was paid.
8. Whether the Applicant was invited or promised assistance by anyone (e.g. relatives, friends, or other social service agencies).
9. Any other documentation or verification requested by the Trustee to determine residency.

Undocumented aliens or un-emancipated youth will not be eligible for township assistance benefits.

SECTION IV-8. RESIDENCY REQUIREMENTS.
As a condition of eligibility, the Office of the Township Trustee will furnish assistance to Applicants and households that meet the residency requirements of the Township without regard to the length of residency prior to applying for assistance, so long as the family resides within the boundaries of Lawrence Township:

North: 96th St.  East: Carroll Rd.
South: 38th St.  West: Emerson Ave.
Aliens must be in the country legally and hold a valid Green Card issued by the U.S. Immigration Services. (Ind. Code §§ 12-20-8-1 through 7). The Trustee's office reserves the right to deny assistance to individuals who cannot provide sufficient evidence on an intention to maintain a permanent residence in the Township.

SECTION IV-9. EMERGENCY AND RESIDENCY.
In cases of emergency, the township may provide temporary assistance to applicants who are temporarily in the township, unless it is determined that the Applicant is only in the Township to receive township assistance benefits. Applicants that do not meet the residency requirements of the Township may be referred to the appropriate township.

SECTION IV-10. SHELTER.
The Trustee may provide shelter relief assistance, including rent, mortgage and land contract payments up to the maximum amounts allowed (including pro-rated amounts) to meet the emergency shelter relief or transitional housing assistance after determining that a residence conforms to the standards of safe and decent housing which are delineated by this office for uniform enforcement. See The Code of the Health & Hospital Corporation of Marion County, Chapter 10.

1. Shelter payment amounts are based on current documented shelter survey of shelter costs in Lawrence Township. See Section V, Table B for current shelter payment amounts.

2. The Trustee reserves the right to select, determine or otherwise decide which property owners or landlords will be allowed to provide housing for the Applicant or members of the Applicant's household. The trustee will only pay shelter payments to verified property owners.

3. The Trustee is not responsible for re-locating a household to another Township. The Trustee will not make shelter payments for non-residential purposes (e.g. rental property unless the Applicant is the renter, commercial property). Except as specifically authorized by the Township Board pursuant to resolution, the Trustee will not pay any lease rental due in any one of the following circumstances:
   a. When neither the Applicant nor a member of the Applicant's household, or a legally qualified dependent living in the household of the applicant is a named party to the lease;
   b. When household members do not meet the requirements for emergency assistance;
   c. An order for eviction or damages for back rent has been entered against the Applicant or a member of the Applicant's household;
   d. For any portion of rent due and owing which is part of an arrearage;
e. When recertification of Section 8 or other subsidized housing will or would have covered the cost of requested rental payment without loss of housing to the Applicant or a member of the Applicant's household;

f. When a request to have the Trustee assist in establishing a residence for persons living in a relative's housing is not an emergency. (An emergency in this instance might be a court eviction notice or proof of domestic violence against the Applicant or the Applicant's dependent.)

g. Request for non-emergency relocation;

h. Is subleasing;

i. When the applicant's lease, mortgage, or land contract has a co-signer/guarantor;

j. When an applicant states that a co-lessee is no longer living in the household but, the co-lessee's name still appears on the lease agreement.

4. A Township Trustee may not use township assistance funds to pay the cost of an applicant's shelter with a relative who is the applicant's landlord if the applicant lives in:

a. The same household as the relative; or

b. Housing separate from the relative and either:

   i. The housing is unencumbered by mortgage (property which is clear and free of any mortgages, liens, or debts); or

   ii. The housing has not been previously rented by the relative to a different tenant at reasonable market rates for at least six (6) months. (IC 12-20-6-10(c))

5. If shelter payments are made to a relative of an Applicant on behalf of the Applicant or a member of the Applicant's household, the trustee may file a lien against the relative's real property for the amount of shelter assistance granted.

6. In determining the amount of shelter payment, the Trustee will consider the size, condition, facilities and number of residents in the shelter.

7. The Trustee will pay only for the number of bedrooms actually required for the number of persons in the household.
8. The Trustee will not pay a base rent above shelter guidelines. Utility service allotments may be added to the base rent payment at the discretion of the Trustee. In cases where suitable housing is available at a lesser cost, the Trustee may refer the Applicant or member of the Applicant's household to such housing. Failure to file for housing recommendations will be cause for denial or discontinuance of assistance.

9. The Trustee will allow up to fifty dollars ($50) of housing assistance to be used towards the payment of any late fees that have accrued for the current month that the applicant is seeking assistance. Any prior fees or fees in excess of fifty dollars ($50) will be the responsibility of the Applicant. The Trustee does not pay any security and/or damage deposits or any form of rent in advance.

SECTION IV-11. FIRST TIME RESIDENT.
The Trustee is not required to provide shelter assistance to an otherwise eligible individual if the:

1. Applicant's most recent residence was provided by the Applicant's relative; and

2. the Applicant, without just cause, leaves that residence for the shelter for which the individual seeks assistance. See Ind. Code § 12-20-16-17.

If an Applicant becomes a member of another household receiving township assistance, the entire household may be denied assistance.

SECTION IV-12. MORTGAGE/ LAND CONTRACT.
The Trustee shall provide shelter assistance for those who are eligible. The Trustee is not required, however, to prevent the Applicant or member of the Applicant's household from being foreclosed upon, either on a mortgage or land contract. The Trustee recognizes that for those persons buying a home who are in need of shelter assistance, that assistance might be best accomplished by allowing the applicant to remain in the Applicant’s home. To the extent the Trustee provides shelter assistance on a mortgaged or land contracted property, the Trustee may seek a lien on the Applicant's residence in an amount equal to the amount of shelter assistance provided.

1. In determining whether or not to make monthly mortgage and/or land contract payments, the Trustee will take into consideration the following factors:

   a. The date the residence was purchased by the Applicant or member of the Applicant's household;

   b. The purchase amount;

   c. The total amount owed on the residence;

   d. The amount of monthly payment;

   e. The amount of delinquent payment, if any, owed by the applicant or
member of the applicant's household to either the seller or the mortgagor;
f. The age and condition of the residence;
g. The size of the residence;
h. The Applicant and members of the Applicant's households age, health and social circumstances;
i. The number of persons living in the residence;
j. The probable duration of the need of the Applicant and members of the Applicant's household;
k. The cost of relocation for the Applicant and Applicant's household;
l. The cost of maintaining the utilities at the residence;
m. The availability of cheaper housing which meets the needs of the Applicant and members of the Applicant's household;
n. Whether or not the mortgage and/or land contract can be renegotiated and/or some type of other payment relief secured from the lender or contract seller on the behalf of the Applicant and members of the Applicant's household; and

o. Whether or not it is necessary for the mortgage and/or land contract monthly payment to be paid at the time of application in order for the Applicant or member of the Applicant's household to remain in the residence.

2. In the event that the Trustee – after considering the factors set out above – determines not to provide assistance in the form of mortgage and/or land contract payments, the Trustee shall seek and attempt to secure, with the assistance of the applicant, other shelter within thirty (30) days.

3. Except as specifically authorized by the Township Board pursuant to resolution, the Trustee will not pay any of the following: second mortgages, late charges, sick and accident charges, mortgage or contract payment in arrears, taxes or insurance.

4. The Applicant or member of the Applicant's household is responsible for signing and returning all necessary payments and vouchers to effect payment.

5. Further shelter assistance may be denied if an Applicant or member of the Applicant's household relocates without first notifying the Trustee or allowing the Trustee to determine whether or not the prospective landlord or housing complies with the eligibility guidelines as well as whether the proposed move promotes or
insures furtherance of the health, safety, and welfare of the Applicant or Applicant’s household.

6. The Trustee will not issue vouchers for shelter assistance to a landlord, mortgagor or land contract holder on behalf of the Applicant or member of the Applicant's household where the landlord is a relative of the Applicant or a relative of a member of the Applicant’s household.

7. The Applicant or member of the Applicant's household is responsible for procuring and signing all necessary papers and vouchers to effect payment for shelter assistance and failure to do so shall result in the denial and/or termination of assistance.

SECTION IV-13. OTHER SHELTER.
The Township shall not be obligated to pay the cost of shelter assistance to or for the applicant when the intended purpose is having the applicant live in the unit. This paragraph applies to real estate purchases or other property transaction made within ninety (90) days prior to making application for township assistance, anytime immediately following the filing of a township assistance application, or during the period an applicant remains otherwise eligible for township assistance. The township is not obligated to pay, directly or indirectly, the costs of mortgage payments when the property in question is part of a potential property settlement in a pending court proceeding; such as, for example, a divorce or inheritance.

SECTION IV-14. EMERGENCY SHELTER.
As used in Section IV-14, "shelter" means a facility that provides temporary emergency assistance.

1. A Township Trustee is not required to provide shelter to an individual who at the time assistance is requested is:
   a. Under the influence of drugs or alcohol; or
   b. Incapable of self-care.

2. The Township Trustee may, at no cost to the Township, refer an individual described in this subsection to an appropriate agency or facility located in the county or in an adjoining county that has a program or charter specifically addressing the problems of substance abuse, mental illness, or self-care.

SECTION IV-15. SHELTER ENCUMBERED.
In situations where an Applicant is renting from a relative with an encumbered mortgage for the housing used, the Township will pay only the maximum allowed in Section V, Table B or the amount of the mortgage payment, less taxes and insurance, whichever is the lesser. Receipts signed by relatives for rental payments from an income source other than "township assistance" will not be recognized for more than the actual mortgage payment.
SECTION IV-16. TAX SUPPORTED SHELTER PROGRAMS.
The Township is not under any obligation to enter into a contract or pay shelter (as defined by Section IV-14) cost, on behalf of an otherwise eligible Applicant, to a public or private agency, which is wholly or partially funded by federal or state funds. Ind. Code § 12-20-17-2

SECTION IV-17. SHELTER MOVING.
Applicants moving from shelter provided by a relative, or any form of subsidized shelter, within sixty (60) days immediately preceding their application for township assistance, will be declared ineligible for township assistance absent a demonstration of just cause. The burden of establishing just cause for having moved shall be upon the applicant.

SECTION IV-18. SHELTER INSPECTION.
The amount the township will allow for shelter assistance is contained in Section V, Table B. Shelter payment amounts are based on current documented survey of shelter cost in Lawrence Township and/or a formula/process as used and determined by the U.S. Department of Housing and Urban Development. This may include inspecting the proposed shelter in order to determine the FMR "grade level" as it relates to minimum requirements for health, safety, and construction; determining the maximum number and the minimum number of individuals allowed to occupy the proposed shelter; shelter the proposed shelter is master metered or individually metered for essential utility services; the condition and availability (if provided by the landlord) of necessary appliances; and other criteria as it related to the HUD formula/process for "Fair Market Rents". Housing which does not meet the minimum requirements of health, safety, and construction will not be certified as being eligible for Fair Market Rents. Non-certified housing may be paid a lessor amount as determined by the Trustee and based upon the inspection report. Local city and county ordinances will also be used in determining whether or not a particular housing unit meets minimum requirements for health, safety and construction. The township is obligated to report unsafe housing or other obvious violations, which presents a threat to the health or safety of the occupants to the proper authorities. See Ind. Code § 12-20-16-17.

SECTION IV-19. CLOTHING.
The office of the Township Trustee may provide such ordinary clothing as may be necessary for employment, health or decency together with such clothing as may be required for medical reasons upon a doctor's prescription.

SECTION IV-20. SCHOOL CLOTHING.
The Trustee may provide school clothing at the beginning of each full academic year. Application must be made within 60 days of the first day of school. At the discretion of the Trustee, exceptions will be made to this section with certain verification and compliance with Section IV-19.

The Trustee will not provide school clothing for children attending daycare, nursery school, preschool, or non-public school.

The Trustee shall require certain verification of eligibility for school clothing for each Applicant such as birth certificates, enrollment in public school and the school corporation's social service department may be contacted for further verification.
SECTION IV-21. TRANSPORTATION.
The Office of the Township Trustee may provide transportation assistance, if necessary, to verified job interviews within Marion County; to keep medical appointments; to accept employment; and to attend job-training or G.E.D. programs.

SECTION IV-22. FUEL.
The Office of Township Trustee will provide fuel for heating and cooking purposes sufficient enough to maintain the residential shelter at 68 degrees during the months when conditions require heat and permit ample use of the cooking facilities. The dwelling must be in conformity with requirements for safe and decent housing and the heating equipment determined to be in adequate functioning order. The Trustee will provide fuel only to households that maintain a separate heating unit.

During the part of each year when applications for assistance are accepted by the Department of Human Services under Ind. Code § 4-28-8, the Township Trustee may not provide assistance to make any part of a payment for heating fuel or electric services for more than thirty (30) days, unless the individual files an application with the township that includes: (1) evidence of application for heating fuel or electric services from the Department of Human Services; and (2) the amount of assistance received or the reason for denial of assistance. See Ind. Code 12-20-6-3.

SECTION IV-23. UTILITIES (IC 12-20-16-3).
1. The Township Trustee may, in cases of necessity, authorize the payment from township assistance money for essential utility services, including the following:

   e. Coal, Wood, or liquid propane used for heating and cooking.

10. The next of kin of the deceased or the funeral director may apply for burial assistance. The person making the application will be responsible for verifying eligibility. A signed affidavit will be required. A death certificate may also be required.

11. For the purposes of the consideration of township responsibility, a hospital shall not be considered as a place of residence, but a nursing home or similar residential facility may be considered as a place of residence.

12. Each township shall continue to independently conduct township burial with the vendors of their respective choice as is most economical and efficient for that township.

SECTION IV-25. NON-RESIDENT ASSISTANCE.

(IC 12-20-6-9)

1. The Trustee may furnish a non-resident of a township with transportation at the cost of the township when the Township Trustee determines beyond a reasonable doubt the legal residence of the individual applying for assistance. Transportation provided a non-resident of a township must be in the direction of the non-resident's legal residence unless it is shown, beyond a reasonable doubt, that the individual in distress has some valid claim for support or some means of support in some other place to which the individual asks to be sent. (IC 12-20-16-11)

2. An individual may be denied township assistance for not more than one hundred eighty (180) days whenever the individual or member of the individual's household:

(IC12-20-9-2)

4. Medical assistance must be sought through IC 12-16, hospital care for the indigent, and in Marion County, through Eskenazi Health. (IC 12-20-16-2)

SECTION IV-26. TEMPORARY RELIEF.

He shall furnish to them such temporary aid as may be necessary for the relief of immediate and pressing suffering, before any further final or permanent relief in any case is given, the overseer shall consider whether distress can be relieved by other means than an expenditure of township funds. It shall be the duty of the overseer of the poor, on complaint made to him that any person within his township is living sick therein distress, without friends or money, so that he or she is likely to suffer, to examine into the case of said person and grant such temporary relief as may be required. (IC 12-20-17-1)

SECTION IV-27. MEDICAL ASSISTANCE IC 12-20-16-2.

SECTION IV-28. WORKFARE RECIPIENT (DEFINED).
The term "recipient" means a single person receiving township assistance or, when township assistance is received by a household with two (2) or more persons, the members of the household most suited to perform available work. Suitability to perform available work shall be determined by the trustee, and may provide for medical examinations necessary to make such determination. (IC 12-20-10-3.5)(IC 12-20-11-1)

SECTION IV-29. WORKFARE REQUIREMENTS.
The township shall require recipient(s) to do any work needed to be done within the township or an adjoining township or for any governmental unit (including the state) having jurisdiction in those townships, or for a not for profit social services agency. (IC 12-20-11-1)

SECTION IV-30. WORKFARE CRITERIA.
Minimum criteria for satisfactory participation in the workfare program shall be one shift per day or five shifts per week, unless otherwise scheduled or excused by the township. Unexcused absences for scheduled workfare assignments may result in the reduction or discontinuance of township assistance. Scheduling consideration will be given to recipients obligated to perform
work under the Indiana Manpower and Comprehensive Training program. Any workfare obligations incurred in another township will be carried forward to the gaining township, unless the applicant failed to comply with the former township’s guidelines for workfare participation. If an applicant failed to comply, then they may be denied further assistance for up to 180 days from the date of the most recent application. (IC 12-20-11-1)(IC12-20-11-4)

SECTION IV-31. WORKFARE PARTICIPATION.
The recipient(s) is required to maintain the minimum criteria that are necessary for the fulfillment of his/her workfare responsibility until such time as his/her obligation with the township is satisfied. Recipients will not be permitted to voluntarily work in advance of receiving township assistance in order to accrue workfare credit. It is the sole responsibility of the recipient(s) to meet the criteria of workfare participation. In satisfying this obligation, only the recipient or members of the recipient household will be allowed to perform the required work.

SECTION IV-32. WORKFARE COMPENSATION.
Work performed is considered as satisfaction of a condition for township assistance and is not considered as services performed for remuneration. The recipient shall be required to do an amount of work, which equals the value of assistance already received, by him or his household. The value of the work performed is calculated at the Federal Minimum wage rate. (IC 12-20-11-5) (IC 12-20-11-1)

SECTION IV-33. WORKFARE EXCEPTIONS.
Recipients may be excused from workfare only for the following reasons: (IC 12-20-11-1)

1. The individual(s) obligated is not physically able to perform work and provides medical evidence that they are unable to perform the work.

2. The individual(s) obligated is a minor or is over 65 years of age:

5. There is no work available as determined by the trustee.

6. The individual(s) obligated is, at the discretion of the trustee, attending educational or self-help courses.

SECTION IV-34. WORKFARE RESTRICTIONS.

SECTION IV-36. SUPPLEMENTAL SECURITY INCOME OR SOCIAL SECURITY DISABILITY.
Individuals who have been awarded SSI or SSD benefits from the Social Security Administration, but are awaiting the arrival of an initial payment when an emergency occurs, may qualify for Township assistance.

Individuals currently receiving SSI or SSD monthly benefits are not automatically excused from workfare. In order to be excused, the individual SSI or SSD recipient must still meet one of the exempting reasons contained in Section IV-33 of these guidelines.

Individuals awaiting a determination from the Social Security Administration for SSI or SSD benefits may be required to perform workfare during the initial stages of the SSI or SSD application process or as long as their first initial SSI or SSD application (i.e. the first application for benefits has not been denied and the applicant is not appealing any determination) remains active.

Once an initial application for SSI or SSD benefits has been denied by the Social Security Administration, the applicant will be presumed to be capable of working for assistance decisions and the applicant will need to present evidence to rebut this presumption of work capability. As such, the applicant may be obligated to perform workfare. In order to be excused, the individual must meet one of the exempting reasons contained in Section IV-33 of these guidelines.

Other members of an SSI or SSD applicant's household able to perform workfare will be required to participate and work his/her proportionate share of the workfare obligation. Example: A member of a multi-member household (three (3) members) awaiting an SSI determination is
excused from performing workfare while the SSI determination is pending. Other adult members of the household will, however, be required to comply with the workfare obligation, but will only be required to work the remaining proportionate share. The township will obligate this particular household to two/thirds (2/3) of the assistance rendered as a workfare obligation. This holds true only if the entire household shared in the assistance, such as: shelter, utilities, or food. If, however, township assistance was rendered specifically for the SSI applicant, workfare will not be required, but the amount of this assistance may be recovered through the Interim Assistance Reimbursement program. As previously stated, individuals currently receiving SSI or SSD monthly benefits are not automatically excused from workfare. In order to be excused, the individual SSI or SSD recipient must still meet one of the exempting reasons contained in Section IV-33 of these standards. See Ind. Code § 12-20-11-5.

An applicant or member of an applicant's household must make an application with the Social Security Office when referred there by the Trustee’s office. Individuals must sign a Social Security Administration's Reimbursement Authorization form for the repayment of any township benefits provided by the Township during the interim period. Failure to sign the Reimbursement Form will result in denial of township benefits. See Ind. Code § 12-20-27.1.5 (b).

SECTION IV-37. REPAYMENTS.
The repayment of assistance, or a promise to repay assistance, will not constitute a condition of eligibility for township assistance, except as provided in Section IV-36, 38, 39 of these standards.

SECTION IV-38. THIRD PARTY BENEFITS.
If it is anticipated that a township assistance applicant has the potential of receiving a judgment, compensation, or monetary benefits from a third party, the township will withhold or delay payment until the litigation or eligibility process is resolved or completed. In situation where a delay is not feasible (as in the case of Supplemental Security Income), the trustee may require the applicant to enter into subrogation agreement or sign an authorization for reimbursement to the township shall result in a denial of township assistance benefits. (IC12-20-27-1.5)

SECTION IV-39. ESTATE REIMBURSEMENT.
Subject to IC 12-20-11-5 (B), A Township Trustee who, as administrator of township assistance, furnishes township assistance may file a claim against the estate of a township assistance recipient who:

SECTION IV-40. CONCLUSION.
All decisions regarding eligibility will be based on the standards mentioned above. These standards and guidelines will be posted at the township assistance office. Additional copies will be furnished to the County Clerk. Any member of the public will be permitted to inspect and copy these standards at their own expense. The standards will be periodically revised to reflect changes in both statutory and case law. Established cost for copies of eligibility standards will be $3.50 per single copy.

SECTION IV-41. REPORTING (Payee).
The township may from time to time report and recommend to other governmental agencies (AFDC, TANK, or Social Security Administration) the misuse of funds by a recipient. The township may officially recommend, when reporting misuse, that the recipient's cash "award" be placed in the hands of a "protective or designated payee", The township may refuse to extend aid to an individual or household member until such time as the applicant initiates and executes the proper instruments for obtaining a payee to handle their finances. The township may agree to serve as the payee,

SECTION IV-42. REPORTING (Abuse and/or Neglect).
The township shall report all suspected cases of abuse or neglect to the proper authorities. Un-emancipated youth requesting township assistance will automatically be reported to the Marion County Office of Family and Children Services.

SECTION IV-43. VENDOR FRAUD.
It is a class D Felony for a vendor to receive payment from a trustee for goods or services that the person does not provide. (IC 12-20-1-4) (If a vendor requires the indigent person to pay an additional charge for a good or service, then the vendor has not provided the service.)

SECTION IV-44. PAYMENT OF TOWNSHIP ASSISTANCE CLAIMS.
A Township Trustee can only pay township assistance claims from itemized and sworn order forms, and then checks must be issued directly to the vendor. Township assistance form of payment is with a purchase order. Vendors are not required to accept township assistance as the township can only grant assistance with a purchase order, (IC 12-20-20-1)
